Grants from External Sources

The superintendent will submit grant proposals for external funds from private sources to the Board for evaluation and approval. To facilitate the Board's review, the grant proposal will be accompanied by a summary sheet containing key information.

In the event an opportunity arises to submit a grant proposal and there is insufficient time to place it before the Board, the superintendent is authorized to use his/her judgment in approving it for submission. The superintendent will review the grant proposal with the Board at its next regular meeting. The Board reserves the right to reject funds associated with any grant that the Board did not have the opportunity to review prior to submission.
