Graduation Exercises

Because the Board believes that completion of the requirements for a diploma from the public schools is an achievement that improves the community as well as the individual, the Board wishes to recognize that achievement in a publicly celebrated graduation-exercise.

Accordingly, appropriate graduation programs may be planned by the senior class, in coordination with the administration, on the date selected by the Board.

All students in good standing who have successfully completed the requirements for a high school diploma, modified diploma or certificate of completion may participate in graduation exercises.
