How many kids at SISTERS HIGH SCHOOL are vaccinated?*

MARCH 2017

■ % Nonmedical Exemptions

■ % Vaccinated

Number of children at the school**: **436**

Percent of children with no immunization or exemption record: **0%**

Percent of children with a medical exemption for one or more vaccine(s): **0%**

* Not all immunizations are required for all grades. These numbers may not total 100% if some children have medical exemptions, or are incomplete or in process with immunizations but do not need an exemption because they are on schedule.

There is/are also **0 child(ren) enrolled for whom immunizations are not required to be reported because their records are tracked by another site or they attend fewer than 5 days per year.

†Blanks indicate this vaccine was not required in the grades at this school, or this vaccine was required for fewer than 10 children.
