“Home of the Outlaws”

Hello Outlaws,

We are quickly approaching the end of the most unique school year in modern history. Wow! What a year. I continue to be in awe, and grateful of our students and staff who continue to be flexible but still engaging in learning. This situation has been very difficult and it gives me a sense of pride about our community how we worked through this together. I know we hope that next year will be relatively normal. We hope to get some guidance throughout the next couple of weeks, but my guess is that we will not know for sure until August. I will certainly keep you informed.

For now, let us finish strong and below is what you need to know to wrap up the 2019-2020 school year. I will also cover this information during our community zoom meeting today at 1:30.
