June 5, 2020

Dear SES Outlaw Students and Parents,

It is hard to believe, but June 8<sup>th</sup> is on Monday. Thank you for your wonderful efforts supporting your students through Distance Learning. We hope you will celebrate the end of school as a family on June 12<sup>th</sup>.

Here are some final details as you prepare to come to the school on June 8<sup>th</sup>. We will adhere to all social distancing practices and only staff will be entering the school building. Please plan to observe the six feet of distancing as you drive through the school parking lot. You will enter the parking lot and drive around through the various stations, exit the parking lot, and enter the bus lane and drive through those stations.

The stations will include:

- Deschutes Public Library: summer reading program
- Sisters Parks and Recreation: summer activity pack
- SMART Readers: books for K and 1
- SPTC (Sisters Parent Teacher Community)
  - Pick up your preordered T-shirt
  - \*Drop off your school supplies order in a Ziploc baggie or you can pay with a credit card. We will have extra order forms if you need one. (see paragraph below)
- Art: pick up your child's art portfolio
- Chromebook drop off: drop off your Chromebook, AC adapter, and hot spot (if you have one). You can also bring a check or cash for insurance payment.
- Work Packets: pick up your June 8-12 and summer packets as well as any missed previous packets
- Food drive donations: please help our Leadership support our community. If each student brings one item, we will have collected 350 items!!! That would go a long way in helping our community.

We will be doing this by grade levels. Please come within your scheduled time and see your teachers, and try to stagger your arrival to allow space between families.

- 9:15 am - 10:00 am: Kindergarten
- 10:30 am - 11:15 am: First Grade
- 11:45 am - 12:15 pm: Second Grade
- 1:00 pm - 1:45 pm: Third Grade

- 2:00 pm - 3:00 pm: Fourth Grade Celebration
- 3:00 pm - 3:30 pm: Final Pick-up / Drop-off

The only things being returned are Chromebooks and Wonders Textbooks (Just a few). The math tools and other materials are yours for future use. We are hoping to make June 8<sup>th</sup> a celebration for our community. We will see you Monday! Together we are better! We are Sisters Strong!!!!

\*Our SPTC is able to shop at bulk and obtain school supplies at a great savings than individual families can AND they save parents from the hassle of shopping. Beginning this year, all students are expected to obtain their supplies through this program; FAN will also be providing supplies, so please check the box if you are in need of assistance and they will support your students. Please bring the order form with cash or check on June 8<sup>th</sup>; we will also have a square at the SPTC table if you prefer to use a card. If you purchase your child's supplies now, and something unforeseen occurs and your child is not at SES, we will provide you with those supplies in August.
