Dear SMS Families,

Due to the COVID-19 Pandemic, the last day students received direct instruction in our building was March 12th. All learning between March 16th and June 15th took place via remote, Distance Learning. As such, 3rd and 4th quarter grades have been assigned as PASS or INCOMPLETE.

On account of the conversion to Distance Learning, Sisters Middle School, in accordance with guidelines from Oregon Department of Education, is issuing Pass or Incomplete grades only. No letter grades will be assigned during Distance Learning for All. Also, in alignment with the Oregon Department of Education, all students will be promoted to the next grade.

A passing grade does not necessarily indicate that the student is at grade level on each standard in a subject. A Pass or Incomplete is used to evaluate the areas in which a student will need / not need extra assistance in the fall of the next school year.

Thank you for your families' efforts and collaboration during Distance Learning for All. We couldn't do it without you.

Enjoy the summer, and please enjoy some downtime to relax and reinvigorate,

Mrs. Haney
Principal
Sisters Middle School
