Dear SES & SMS Parents,

As you know, we will be starting the school year in Comprehensive Distance Learning. However, we want to be prepared for when on-site learning becomes available assuming all guidelines for reopening schools are met.

Attached you will find the instructional option decision-making document. We need one completed for each child you have in the school district K-8.

You can print and return this document to a box outside of each school or you can print, fill out and email your decision document to Sisters Elementary at: shannon.beutler@ssd6.org and Sisters Middle School at: mary.lesowske@ssd6.org

If you have any questions on making the decision at either school please contact SES Principal, Joan Warburg or SMS Principal, Alison Haney or Assistant Principal, Tim Roth.

Kind regards,

Joan Warburg

Sisters School District 2020-2021 Educational Option Choice

Student Name: _____

Student Grade: _____

Assuming all guidelines for reopening schools are met, we are choosing the following option for our student **when on-site learning becomes available**:

- Hybrid On-site Learning in the School Building (Teacher Directed Learning)
- Comprehensive Distance Learning (Teacher Directed Learning)
- SEO- (Parent and Student Directed Learning- Administrative Approval Needed)
 - K-5 District Supported Homeschooling Option
 - 5th-12th Online Option

_____ Fall Semester Only

_____ Entire School Year

- My student will be utilizing district transportation to and from school

We understand that teachers and classes will be assigned based on our response and that we may not be able to select another option until the end of the Fall Semester in January 2021.

We understand and accept the following parent and student expectations for participating in distance learning and district supported homeschooling:

- Monitor student progress and contact the teacher(s) with any concerns
- Ensure student keeps pace within his/her courses and completes all assignments weekly
- Ensure student’s daily participation in classes and adherence to the daily class schedule
