

Sisters School District

“Home of the Outlaws”

Curtiss Scholl
Superintendent

August 24, 2020

Dear Sisters Schools Community,

This past Friday, Governor Brown made a “call to arms” announcement for Oregonians to follow the guidance to combat the spread of COVID 19. This call to arms was intended to encourage Oregonians to be vigilant in doing their part is slowing the spread of this virus. In Deschutes County, the last data show that our metrics are improving. Thank you for doing your part!

This announcement did not change any of the updates made on August 11th for the re-opening of schools. As staff return to our campuses, we are diligently planning to support our students under the plans submitted to the state. We continue to work to meet the social, emotional and educational needs of our students while ensuring the safety and well-being of the entire community.

I am optimistic that as we work through this together, we will be stronger as a system and community.

Stay Safe,

Curt Scholl
Superintendent
Sisters School District
