

Good Morning Outlaws!

It is go time! The moment we've all been waiting for... Schedules come out today!

Students will receive schedules today in a **separate** email. To help students understand how to transfer the seven period semester schedule they'll receive in an email today into our current six academic term approach for the 2020-2021 school year, I've attached a "How to read your schedule" worksheet.

Secondly, I am attaching the master schedule. This will help students understand when courses are being offered throughout the year and to help students wishing to make changes to their schedule present ideas to their counselors.

If you have any questions or want to make changes please email your counselor:

Students with last names that begin A-M: **Lindy Weddell** lindy.weddel@ssd6.org

Students with last names the begin with N-Z: **Rick Kroytz** rick.kroytz@ssd6.org

Please be patient with our counselors. We have time. The most important part of the schedule is to ensure you have the correct classes for the first academic term. We can always make adjustments later.

Let's go OUTLAWS!
