

# Sisters School District

“Home of the Outlaws”

---

Hello new SMS Parents!

We are very excited that your child will be attending Sisters Middle School and we look forward to seeing them at our Virtual New student WEB Orientation on Friday, September 4th, from 10:15-11am. Although the physical school won't be open yet and distance learning continues, we are still able to get your student off to a great start with our WEB Program! WHAT IS WEB? WEB is a nationwide program designed to welcome and support 5th graders as well as new 6-8th grade students by connecting them with WEB Leaders, who are positive, responsible, hand-selected 8th graders. Your student's WEB Leaders will help them feel more comfortable as well as help them achieve success in their first year of middle school. Doesn't that sound great? It is!

## WHAT HAPPENS NEXT?

1. The zoom login information is at the bottom of this letter. You will also receive an emailed invitation. If they have not received the email by Wednesday, Sept 2, please email Mrs. Davies at [julee.davies@ssd6.org](mailto:julee.davies@ssd6.org) to request one.
2. Your child will also receive an email or phone call from their WEB Leader personally inviting them to orientation, and giving the details of how to virtually join and at what time. The Leaders can also answer any questions they may have.
3. On orientation day, your student will use the link to access the Zoom Orientation. This will be a fun time of games and getting to know each other.
4. In order for your child to maximize their experience, if possible, we recommend that they use a computer with a camera rather than a tablet or smartphone for this meeting. A school-issued chromebook will work for this. Please help your student by making sure they know video meeting etiquette as well as how to mute/unmute their microphone.

We look forward to a great orientation day!

Jules Davies, PE Teacher and WEB Coordinator  
Crystal Vogt, WEB Assistant
