

Sisters School District

“Home of the Outlaws”

Curtiss Scholl
Superintendent

February 11, 2021

Dear Sisters Schools Community,

I want to start by encouraging everyone to continue to follow the physical-distancing, hand-washing and mask-wearing protocols that have been put in place to stop the spread of COVID-19. We are excited to share that our county metrics continue to drop and this opens up more options for both our students and our local business community.

We are in our third week of having all of our grades back in the hybrid model. I want to thank all of our staff for their hard work in making this a smooth transition for our students. I know for some, this is different than the Distance Learning model and is creating some challenges. Please continue communicating with your teachers and building principals to help problem solve your concerns.

Because of our experience with Distance Learning, when we have snow (or smoke), there will be no need for a “snow” day. Students will engage with their teachers as they did in CDL; no need to make up days going into the summer.

Remember, our schools are an eco-system consisting of a wide range of people from our community. Although we have seen a drop in case counts, this is a time to remain vigilant around COVID-19 protocol. The safety of the entire eco-system must be considered. This vigilance is why we have had success in reopening our schools and are able to start moving forward with athletics and activities for our students.

Finally, please take the time to take care of yourselves and those that you love. Your efforts around mask-wearing and social distancing are making a difference.

Stay Safe,

Curt Scholl
Superintendent
Sisters School District
